Type:	Powder
Intended use:	Ceramic tiles, kitchen and bathroom fixtures, pots and pans, sinks, toilets, baths, shower trays, BBQ racks and bins.
Special features:	Commercial grade scouring powder that is scratch free, contains bleach, easy to rinse that can be used on a wide range of substrates.
Size:	300g

DIRECTIONS FOR USE:

READ ALL INSTRUCTIONS BEFORE USE.

REFER TO THE APPLIANCE MANUFACTURER'S OWN INSTRUCTIONS FIRST.

Wet area to be cleaned first then shake required amount to be used for cleaning.

The dual action nozzle allows for fine dusting of the scouring powder or if preferred use the larger opening to distribute bigger amounts.

Use plenty of water and rub the scouring powder in well, then rinse.

Do not use on precious metals, fabrics, surfaces that are painted or plexiglass.
